

MOWOGO MONTHLY

NEW

VOLUME NO. 2, ISSUE 5

MAY 2024

Thank you to everyone who attended pre-camp! We're excited to see you all at Pow Wow in September. We were able to have successful Pre-Ordeal, Ordeal, and Brotherhood ceremonies due to our AIA teams and the amazing planning of the LEC. If you're interested in participating in ceremonies, please reach out to Andrew Chalmers for more information.

UNIT SPOTLIGHT

Troop 415 recently took center stage on the Boy Scouts of America's Instagram, highlighting their adventurous trip to Sea Base. The post showcased the troop's exciting activities and team-building experiences, capturing the essence of their memorable expedition. Almost all of the scouts who attended described the trip as a life-changing experience and expressed a keen desire to return soon.

Summer Chief Moment

Seth Grindle our current Japeechen Chapter Chief was named the 2024 Summer Chief for Camp Rainey Mountain. Seth helps facilitate the OA Trading Post, the ice cream social, and other daily promotion about the OA.

Scouts who are visiting Camp Rainey Mountain during the summer have the opportunity to check out the Museum and learn about our Lodge history.

STAFFING CRM WITH SETH

My experience on CRM Camp Staff has been amazing! I get to spend the whole summer having fun with my friends while serving both CRM and all the Troops that come through! The people on staff are great and are just as enthusiastic for the program as I am. Staffing also gives me the opportunity to hang out with some of my friends in Lodge over the summer.

NYLT

Good Luck to our arrowmen participating and staffing in NYLT Week 1 and Week 2
