### WORDS FROM OUR 2024 LODGE CHIEF:

“Hello Everyone! My name is Alex Sutter and I am the Mowogo Lodge Chief for the 2024 year! I cannot wait to serve you all and work for a difference in the lodge.

I have a lot of plans in store for 2024. The first one is totems! Sometimes it's easy to forget the Lodge's connection to our camps if you're just a scout walking through unless there is an OA event or such going on. To keep the connection of the OA and our camps going outside of events each chapter has been tasked with, creating a totem to leave as a mark in their respective campsites. In addition to that, we will be reintroducing a concept we've seen before here in the council: a camping guide. Through a united effort from the chapters and its units, we are creating a camping guide for units and scouts throughout the council to use.
